

**List of assigned disciplines at the Department of "Design"
Profile graphic design**

№	The basic part
1.	Compositional design basics
2.	Figure 1,2
3.	Design Studio 1,2,3
4.	Painting
5.	Art History
6.	Color theory and context
7.	Computer technologies in design engineering
8.	History and theory of design
9.	Information technology in design
10.	Drawing technique
11.	Special painting
12.	Special drawing
13.	Professional organization of project activities
Graphic Design	
1.	History of graphic design and advertising
2.	Printing technology
3.	Design in the system of philosophical knowledge
4.	Semiotics of signs
5.	Design in professional activity 4,5,6
6.	Publishing design
7.	Special composition by design
8.	Printed graphics
9.	Corporate identity
10.	Conceptual foundations of advertising and poster
11.	Font and font composition
12.	Computer graphics
13.	Packaging
14.	Photography
Environment design	
1.	History of architecture and interior design
2.	Fundamentals of architecture and building structures
3.	Design in the system of philosophical knowledge
4.	Basics of ergonomics
5.	Design of the subject-spatial environment 4,5,6
6.	Engineering and technical systems and equipment of buildings
7.	Interior furniture and equipment design
8.	Special composition by design
9.	Architectonics of three-dimensional forms
10.	Design and modern finishing materials
11.	Three-dimensional compositions
12.	Digital media image processing
13.	Experimental design
14.	Architectural and landscape graphics

Total: 41 disciplines

DG: 27 disciplines, DS: 27 disciplines
